MOTION TO CONTINUE AND EXCLUDE TIME UNDER THE SPEEDY TRIAL ACT by USA as to AARON JAMES MILEUR. (See docket entry 27 to view document.) (zltf)

10/03/2021

MINUTE ORDER as to AARON JAMES MILEUR: Upon consideration of the joint status report, Dkt. 27, it is hereby ORDERED that (1) the parties shall file a further joint status report on or before December 3, 2021; (2) the parties shall appear for a status conference on February 9, 2022, at 10:30 a.m., to occur via video teleconference; and (3) time shall be excluded under the ends of justice exception to the Speedy Trial Act, 18 U.S.C. 3161, from October 4, 2021, to February 9, 2022. The parties represent that they "agree that additional time is needed for effective preparation of the case," "that a continuance is needed to allow for adequate preparation in this unusual and complex case," and "that a continuance" would "serve the interests of justice." Dkt. 27 at 3. Based on these representations, the volume of discovery, and the need to ensure Defendant has adequate time to evaluate the evidence and prepare his case, the Court finds that the ends of justice served by the continuance outweigh the best interest of the public and the defendant in a speedy trial under 18 U.S.C. 3161(h)(7)(A). Finally, the Court notes that the status conference is set as a video teleconference, and instructs the parties to use the same instructions for connecting remotely. Should the parties wish to proceed in-person instead, they shall notify the Deputy Clerk of Court on or before January 26, 2022. Signed by Judge Randolph D. Moss on 10/3/2021. 01/31/2022

MINUTE ORDER as to AARON JAMES MILEUR: Upon consideration of the joint motion to continue, Dkt. 32, it is hereby ORDERED that the motion is GRANTED. It is further ORDERED that (1) the video status conference currently scheduled for February 9, 2022, at 10:30 a.m., is hereby VACATED and RESCHEDULED for May 6, 2022, at 11:30

a.m.; and (2) time shall be excluded under the ends of justice exception to the Speedy Trial Act, 18 U.S.C. 3161, from February 9, 2022, to May 6, 2022. The parties represent that, although they are "are diligently working to prepare this case and produce and review discovery," "additional time is needed for effective preparation of the case." Dkt. 32 at 1. The parties further represent "that a continuance is needed to allow for adequate preparation in this unusual and complex case and to serve the interests of justice," and jointly request that "the Court continue the status hearing for approximately 90 days and to exclude that period of time" under the Speedy Trial Act. Id. In light of these representations, and in particular the parties' ongoing efforts to engage in extensive and difficult discovery and to prepare the case, the Court finds that the ends of justice served by the continuance outweigh the best interest of the public and the defendant in a speedy trial under 18 U.S.C. 3161(h)(7)(A). To access the video status conference, the parties are to use the same Zoom log-in information previously provided by the Deputy Clerk of Court. Signed by Judge Randolph D. Moss on 1/31/2022.
