**ORDER**

Upon consideration of the Consent Motion to Schedule a Status Hearing and Exclude Time Under the Speedy Trial Act, it is this 8th day of March, 2021, hereby

**ORDERED** that the motion is **GRANTED**; it is further

**ORDERED** that a status hearing is scheduled for May 4, 2021, at 1:00 p.m. before the Honorable Robin M. Meriweather; it is further

**ORDERED** that the time from March 3, 2021, through March 8, 2021, is excluded for purposes of any computation under the Speedy Trial Act, as it was a delay resulting from a pretrial motion. 18 U.S.C. § 3161(h)(1)(D). It is further

**ORDERED** that the time from March 8, 2021 through May 4, 2021, shall be excluded from calculation under the Speedy Trial Act. The undersigned finds that the ends of justice served by taking such action outweigh the best interest of the public and the defendant in a speedy trial and indictment because the additional time will afford the government with the opportunity to provide informal pre-indictment discovery to the defendant and to engage in discussions with the defendant, which might obviate the need for an indictment and trial in this case.
