STATEMENT OF FACTS

Your affiant, Brian Kimball, is a Special Agent of the Federal Bureau of Investigation (FBI). I have been employed as an FBI Special Agent since 2005 and I am currently assigned to the Salt Lake City Division, Provo Resident Agency. Currently, I am tasked with investigating criminal activity in and around the United States Capitol grounds on January 6, 2021. As a Special Agent with the FBI, I am authorized by law or by a Government agency to engage in or supervise the prevention, detection, investigation, or prosecution of alleged violations of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

Evidence Linking MATTHEW BOKOSKI to Assault on the U.S. Capitol

On or about January 7, 2021, the FBI received a tip that MATTHEW BOKOSKI of Chicago, Illinois had been inside the Capitol Building on January 6, 2021 and had posted about his actions on Facebook and Kik, a mobile messaging app. The tipster (hereinafter, “T-1”) reported that MATTHEW BOKOSKI had posted that he was in Washington, D.C. with his father (BRADLEY BOKOSKI) on January 6, 2021. T-1 was familiar with MATTHEW BOKOSKI through a social media group and identified a Facebook account associated with the name “Matthew Ryan Bokoski” as belonging to MATTHEW BOKOSKI.

On or about January 11, 2021, another tipster (hereinafter, “T-2”) submitted an online tip to the FBI regarding the participation of MATTHEW BOKOSKI in the January 6 Capitol riot. T-2 included screenshots of comments, videos, and photos that MATTHEW BOKOSKI had posted to Facebook on January 6, 2021. A screenshot of content posted to MATTHEW BOKOSKI’s Facebook account can be seen below in Figure 1.

Figure 1

One of the Facebook comments indicates that MATTHEW BOKOSKI was inside the Capitol Building with his father. The comment reads: “I was with my dad and walked right up the capital steps and inside with others.” A screenshot of the comment is below in Figure 2.

Figure 2

On January 14, 2021, law enforcement officers interviewed MATTHEW BOKOSKI in person in Chicago, Illinois. MATTHEW BOKOSKI admitted that on January 6, 2021, he and his father walked around the U.S. Capitol grounds and entered the U.S. Capitol Building. He further stated that he took photos and video during his January 6, 2021 entry and presence in the U.S. Capitol Building. He confirmed that the “Matthew Ryan Bokoski” Facebook account belongs to him and that he had posted photos and comments to this account on January 6, 2021. He told the interviewing agents that the January 6, 2021 rally was effective because the participants were able to “shut down” the government.

Following his interview, MATTHEW BOKOSKI voluntarily provided law enforcement with photos that he had taken on January 6, 2021 including photos that appear to have been taken from inside the restricted area. Within these photos, police barriers and the West Front Inaugural Platform can be observed.

Figure 3

Figure 4

Figure 5

Among the photos MATTHEW BOKOSKI provided to law enforcement is a photo taken from the Northwest Terrace. A red arrow marks the Senate Parliamentary Door, which was breached at approximately 2:42 PM according to security footage.

Figure 6

Included in the photos that MATTHEW BOKOSKI provided to law enforcement is a photo of himself. He can be seen wearing a red and blue “TRUMP 2020” flag on his back and a red and blue knit cap with a pom-pom on top.

Figure 7

In connection with this investigation, this affiant reviewed Capitol security footage. In that footage, I observed an individual who appeared to be MATTHEW BOKOSKI, wearing the same blue and red knit cap and red and blue flag, unlawfully enter the U.S. Capitol Building through the Senate Parliamentarian door at approximately 2:47 p.m. on January 6, 2021. MATTHEW

BOKOSKI entered through the door approximately five minutes after it was breached, and he appears to be taking photographs or recording video upon his entry into the Capitol Building.

Figure 8

Figure 9

According to Facebook records, the account with username “Matthew Ryan Bokoski” is identified by account number 562229240. On May 3, 2022, U.S. Magistrate Judge Robin M. Meriweather in the District of Columbia authorized a search warrant for the Facebook account associated with account number 562229240. The search warrant return contained the following video and posts:

1. A video was sent from the account on January 6, 2021 at approximately 4:40 PM EST and the following image, which I recognize as taken within the U.S. Capitol building, was saved from that video:

Figure 10

2. On or about January 7, 2021, BOKOSKI posted “this all happened before I went up to the capital. So only thing I’m guilty of is trespassing on federal property if you want to get down to it. I kept my distance from police and even thanked them for being out and making sure things don’t get insane.”

Evidence Linking BRADLEY BOKOSKI to Assault on the U.S. Capitol

On or about January 17, 2021, another tipster (hereinafter, “T-3”) submitted an online tip regarding the photos that MATTHEW BOKOSKI had posted to his Facebook account. In one of the photos inside the Capitol Building, T-3 circled the face of a man with eyeglasses and a white mustache and identified this man as BRADLEY BOKOSKI. T-3 also identified BRADLEY BOKOSKI’s place of work.

Figure 11

T-3 also submitted the photo shown in Figure 11 in which individuals resembling BRADLEY BOKOSKI and MATTHEW BOKOSKI were photographed together.

Figure 12

On or about June 9, 2021, FBI agents conducted open source and law enforcement database checks, including a check of state driver’s license records. Through those checks, FBI agents

located a driver's license record for "Bradley Bokoski." The checks further revealed pertinent biographical data, such as BRADLEY BOKOSKI's date of birth. Your affiant compared the photograph shown above in Figure 11 with BRADLEY BOKOSKI's driver's license photo and believes that the individual in Figure 11 is BRADLEY BOKOSKI.

On June 21, 2021, law enforcement officers spoke with BRADLEY BOKOSKI. In his interview, BRADLEY BOKOSKI told law enforcement his place of employment, which was consistent with the information provided by T-3. He volunteered that he entered the Capitol building with his son, MATTHEW BOKOSKI. He further acknowledged that MATTHEW BOKOSKI had taken photos of their activities and had posted photos to Facebook.

In my review of Capitol security footage, I also observed an individual who appeared to be BRADLEY BOKOSKI unlawfully entering the U.S. Capitol Building through the Senate Parliamentarian door at approximately 2:47 p.m. on January 6, 2021. BRADLEY BOKOSKI can be seen holding a cell phone and appears to be recording video or taking photographs of his entry into the Capitol Building. BRADLEY BOKOSKI (circled in white) is accompanied by MATTHEW BOKOSKI (circled in red). Father and son moved with a crowd down a corridor where the crowd met with a police line of approximately 10-15 officers. BRADLEY BOKOSKI and MATTHEW BOKOSKI turned around and exited the building through the Senate Parliamentarian door at approximately 2:52 p.m. They were in the building for approximately 4-5 minutes.

Figure 13

Figure 14

Figure 15

Law enforcement officers also obtained body worn camera from a Metropolitan Police Department Officer who was present near the northwest lawn during the afternoon of January 6, 2021. In video footage timestamped 2:36 p.m., the face of BRADLEY BOKOSKI can be seen. A static image from the body-worn camera is shown below, with BRADLEY BOKOSKI identified by a red circle:

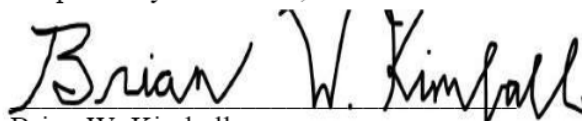

Figure 15

Based on the foregoing, your affiant submits that there is probable cause to believe that BRADLEY BOKOSKI and MATTHEW BOKOSKI violated 18 U.S.C. § 1752(a)(1) and (2), which makes it a crime to (1) knowingly enter or remain in any restricted building or grounds without lawful authority to do; and (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct

in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions; or attempts or conspires to do so. For purposes of Section 1752 of Title 18, a “restricted building” includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance.

Your affiant submits there is also probable cause to believe that BRADLEY BOKOSKI and MATTHEW BOKOSKI violated 40 U.S.C. § 5104(e)(2)(D) and (G), which makes it a crime to willfully and knowingly (D) utter loud, threatening, or abusive language, or engage in disorderly or disruptive conduct, at any place in the Grounds or in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of a hearing before, or any deliberations of, a committee of Congress or either House of Congress; and (G) parade, demonstrate, or picket in any of the Capitol Buildings.
