

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF
AMERICA,

-v-

CHRISTOPHER WORRELL,
Defendant.

Case No. 1:21-cr-00292-RCL-1

Response to Court Order Regarding Sealing of Orders and Government Filings

Christopher Worrell, by and through his counsel, tenders this reply to the Court's Order for a response within ten (10) days regarding the seal of orders and Government filings with regard to Mr. Worrell's medical history and diagnosis. ECF No. 69. As Mr. Worrell has already made a number of public filings not under seal which contain his medical history with regard to his non-Hodgkin's lymphoma diagnosis, his COVID-19 diagnosis, his broken hand, and his episodes of passing out or blacking out, references to these need not be under seal or be redacted.

These appear to be the medical history the Government and the Court refer to and thus Mr. Worrell has no objection to unsealing these documents. These include the medical reports from the DC Jail and the Howard University Hospital, at this time, Mr. Worrell has no objection to unsealing these records.
