**Consent Motion by Defendant for his Counsel to be Physically Present  
Alongside Him at Sentencing**

Now comes the Defendant, Devlyn Thompson, by and through undersigned Counsel, and hereby requests this Honorable Court to work with FDC SeaTac to accommodate his request that his Attorney be present alongside him in the same room at sentencing during his sentencing scheduled for December 20, 2021.

The Defendant is on the Autism Spectrum, and because of his communication deficits, it is essential that Counsel be physically present with him wherever he is sentenced. A breakout room via Zoom is not sufficient. Counsel therefore requests that the staff at SeaTac allow her to sit in the same room with as her client during the video sentencing. Counsel has spoken with the Government

and it does not oppose any accommodation to the extent possible which will facilitate this request.

Furthermore, Counsel requests that Mr. Thompson's mother be allowed video access to the sentencing hearing as well. She has been an essential source of emotional support to him throughout his life and it would be important for him and her to be able to see one another.

Respectfully submitted,
