

MEMORANDUM

Defendant is charged with several criminal acts allegedly committed following the “Save America” rally and subsequent breach of the Capitol Building on January 6, 2021. Mr. Thompson intends to subpoena numerous witnesses involved in the planning and execution of the attempt to disrupt the certification of the 2020 presidential election.

These witnesses include former President Donald J. Trump and several members of his inner circle, including Donald Trump, Jr., Rudolph Giuliani, Stephen Bannon, Professor John Eastman, Stephen Miller, and Attorneys L. Lin Wood and Sidney Powell. Considering the significant roles these witnesses play in the legal and political communities, and the evasiveness that some have historically shown in the face of court orders, Defendant submits that appointment of the U.S. Marshals Service is necessary in order to effectuate his right to compulsory process and ensure that the same is accomplished expeditiously.

For the foregoing reasons, Defendant respectfully requests an Order appointing the U.S. Marshal Service as process server.

Respectfully submitted,
