Re: *United States v. Edward Francisco Rodriguez*
Case No. 21-cr-483

Dear Ms. Rostal:

Today I have made available to you preliminary discovery via the USAfx portal in a folder named "U.S. v. Edward Rodriguez, 21-cr-483." Within that folder is a subfolder named "2021-08-11 Production" that contains the following materials:

- A zip file named "Interview video.zip" that contains a video of the custodial interview of Mr. Rodriguez;
- A zip file named "Photos.zip" that contains 19 photos relevant to Mr. Rodriguez;
- A folder named "T-Mobile Return" that contains 2 files obtained in response to a search warrant to T-Mobile; and
- A zip file named "Serials.zip" that contains 210 files relevant to the FBI's investigation of Mr. Rodriguez. An index of those files is enclosed with this letter.

Due to the extraordinary nature of the January 6, 2021 Capitol Attack, the government anticipates that a large volume of materials may contain information relevant to this prosecution.

These materials may include, but are not limited to, surveillance video, statements of similarly situated defendants, forensic searches of electronic devices and social media accounts of similarly situated defendants, and citizen tips. The government is working to develop a system that will facilitate access to these materials. In the meantime, please let me know if there are any categories of information that you believe are particularly relevant to your client.

I recognize the government's discovery obligations under *Brady v. Maryland*, 373 U.S. 83 (1963), its progeny, and Rule 16. I will provide timely disclosure if any such material comes to light. Consistent with *Giglio*, *Ruiz*, and 18 U.S.C. § 3500, I will provide information about government witnesses prior to trial and in compliance with the court's trial management order.

I request reciprocal discovery to the fullest extent provided by Rule 16 of the Federal Rules of Criminal Procedure, including results or reports of any physical or mental examinations, or scientific tests or experiments, and any expert witness summaries. I also request that defendant(s) disclose prior statements of any witnesses defendant(s) intends to call to testify at any hearing or trial. *See* Fed. R. Crim. P. 26.2; *United States v. Nobles*, 422 U.S. 255 (1975). I request that such material be provided on the same basis upon which the government will provide defendant(s) with materials relating to government witnesses.

Additionally, pursuant to Federal Rules of Criminal Procedure 12.1, 12.2, and 12.3, I request that defendant(s) provide the government with the appropriate written notice if defendant(s) plans to use one of the defenses referenced in those rules. Please provide any notice within the time period required by the Rules or allowed by the Court for the filing of any pretrial motions.

I will forward additional discovery as it becomes available. If you have any questions, please feel free to contact me.

Sincerely,

/s/ Alison B. Prout
