**CONSENT MOTION TO CONTINUE STATUS CONFERENCE AND EXCLUDE TIME  
UNDER THE SPEEDY TRIAL ACT**

The United States, through undersigned counsel, hereby files this motion to adjourn the status conference set for June 17, 2022, in the above-captioned matter, for approximately 45 days, until July 28, 2022. Defense counsel concurs in this motion. The parties request the additional time to engage in plea negotiations and review additional discovery productions.

The United States also references the Court’s Minute Order directing that the parties provide the Court by June 13, 2022, three proposed trial dates and a proposed motions schedule, unless the status hearing is converted to a plea hearing. Pursuant to this consent motion to continue the status conference, the parties also request additional time before preparing a proposed motion schedule and trial date(s) and/or a change of plea hearing. For the same reasons, the parties need additional time to engage in plea negotiations and review discovery.

The parties request that the Court exclude the time until the status conference on July 28, 2022, pursuant to 18 U.S.C. § 3161 et seq., on the basis that the ends of justice served by taking such actions outweigh the best interest of the public and the defendant in a speedy trial pursuant to the factors described in 18 U.S.C. § 3161(h)(7)(A).
