

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA,

v.

CHANCE ANTHONY UPTMORE, *and*
JAMES HERMAN UPTMORE,

Defendants.

Case No. 21-cr-149 (RCL)

ORDER

At the status conference held today, March 31, 2021, the government made an oral motion to exclude the time between today and the next status conference, April 15, 2021, from the Speedy Trial Act's 70-day clock. *See* 18 U.S.C. § 3161(b). The government requests this continuance to allow for additional time to obtain and review the extensive camera footage recorded inside the U.S. Capitol on January 6, 2021. Defendant Chance Anthony Uptmore does not oppose the government's motion, but defendant James Herman Uptmore objects to this exclusion of time.

Upon consideration of the government's oral motion and the arguments advanced at today's hearing, the Court hereby **GRANTS** the government's motion. The Court finds that the ends of justice served by continuing this matter approximately two weeks to allow the government to obtain and review camera footage taken inside the U.S. Capitol on January 6, 2021 outweigh the best interest of the public and the defendants in a speedy trial. *See* 18 U.S.C. § 3161(h)(7)(A). The Court further finds that the failure to grant such a continuance would likely result in a miscarriage of justice. *See* 18 U.S.C. § 3161(h)(7)(B)(i). Accordingly, the time period from today to April 15, 2021 shall be excluded for purposes of the Speedy Trial Act.

It is **SO ORDERED**.

Rege C. Lindstedt
