Your Honor,

I have known Les Little for over thirty years. I am his pastor. Les has always had a willing and helpful heart. He has helped in the church, with Sunday School, Wednesday night services, Young Men Group, Evangelistic Outreach services, sings in the choir, Fall Festival and a few other jobs he likes to volunteer for.

Les has a Christian servant's heart. He reads and studies about the Lord. His dad, Bud, was one of the Deacons and leaders of our church before his passing. His mom, Betty, still teaches Sunday School and is well loved among our members.

I know that Les has his own views on various subjects, but I don't believe he means any harm to anyone.

He is the only one at home to take care of his elderly mother and to keep up their house. Les is working and driving a truck. I have no problem asking you to consider Les, his mother, and our church when you make your decision.

In His Service,

A handwritten signature in black ink, appearing to read "Rev. Dennis J. Richards, Sr.", with a stylized flourish at the end.

Rev. Dennis J. Richards, Sr. D.Min., D.D.
