UNOPPOSED MOTION TO CONTINUE SENTENCING HEARING

Sentencing in this matter is currently set for February 10, 2023, in person. However, the government now anticipates a trial conflict with the hearing date. Having conferred with defense counsel, who does not oppose the continuance, the parties are available during the weeks of April 3, 2023, April 17, 2023, and April 24, 2023. The government respectfully requests that the Court reschedule the sentencing hearing in this matter for one of those weeks. A proposed order follows.

Respectfully submitted,
