

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA

v.

KEVN SAM BLAKELY,

Defendant.

Case No. 21-CR-0356 (EGS)

ORDER

As discussed on the record at the status hearing on July 9, 2021, this case has been pending since March 2021 and counsel for Defendant has yet to file a notice of appearance in this case or an application for admission *pro hac vice*. The first appearance in this Court occurred on March 26, 2021, and the docket reflects that Martin Leyko appeared on Defendant's behalf. Since then, counsel for Defendant has agreed in April to the continuance of a status hearing (ECF No. 7 at 8); an Information was filed in May (ECF No. 11); and the parties reported at the July 9 status conference that a plea deal has nearly been reached. And yet, Mr. Leyko has not completed the tasks necessary for him to represent Defendant in this Court.

Accordingly, it is hereby

ORDERED that Mr. Leyko shall file, on or before July 16, 2021, a notice of appearance or a motion for admission *pro hac vice* pursuant to Local Criminal Rule 44.1.

SO ORDERED.
