Re: *United States v. Peter Schwartz*
Case No. 21-cr-178-AMP

Counsel:

I am writing to follow up on my email inquiries to Pierce Bainbridge dated August 16th, August 19th, and August 20th, 2021, and to memorialize the discovery that has been provided to prior counsel in the above-captioned case to date.

Preliminary discovery has been provided on a rolling basis beginning on May 24, 2021 and is available via a shared USAfx folder titled “**Schwartz, Peter – Discovery.**” Please note that in an effort to provide these preliminary materials expeditiously, they were not Bates-stamped prior to providing them. Bates-stamped materials will be provided to you at a later date through USAO-DC’s formalized discovery process.

On May 24, 2021, non-sensitive materials were provided in a USAfx subfolder labeled “**Non-Sensitive,**” including 167 files as listed in **Addendum A.**

On May 24, 2021, sensitive materials were also provided in a USAfx subfolder labeled “**Sensitive,**” including 26 files as listed in **Addendum B.** Please note that all materials designated as “sensitive” are subject to the protective order issued in this case on April 1, 2021.

On May 24, 2021, highly-sensitive materials were additionally provided in a USAfx subfolder labeled “**Highly-Sensitive,**” including 15 files as listed in **Addendum C.** Please note that all materials designated as “sensitive” are subject to the protective order issued in this case on April 1, 2021.

On May 25, 2021, Grand Jury materials were provided in a USAfx subfolder labeled “**GJ Materials**,” including 14 files as listed in **Addendum D**. Please note that all Grand Jury materials are deemed to be sensitive and subject to the protective order issued in this case on April 1, 2021.

On June 25, 2021, additional non-sensitive materials were provided in a USAfx subfolder labeled “**6.25.21 Production**” including 12 files as listed in **Addendum E**.

Also on June 25, 2021, prior counsel was provided with **two separate links from Evidence.com** allowing counsel to access and download **Body Worn Camera video files** recorded by Metropolitan Police Department Officers on January 6, 2021 on the Lower West Terrace in and around the time that defendant Schwartz is believed to have been present. The first link provided access to **176 video files** as listed in **Addendum F**. The second link provided access to **111 video files** as listed in **Addendum G**.

The above-listed items summarize the materials provided to prior counsel as part of the preliminary discovery process. If these items were not transferred when you received the file from prior counsel, please let me know and I will be happy to re-upload the materials for you to access directly. There are also additional discovery materials that USAO-DC intends to provide with respect to Mr. Schwartz’s case. However, in order to receive those materials, Pierce Bainbridge will have to provide a point-of-contact within the firm to access materials via USAfx. Please let me know who in your firm will be the designee for discovery in this case.

As noted previously, the materials provided thus far are not Bates-stamped at this time. In the future you will be receiving duplicate copies of the above-described materials that have been Bates-stamped as part of our formalized discovery process.

Voluminous Materials. Due to the extraordinary nature of the January 6, 2021 Capitol Attack, the government anticipates that a large volume of materials may contain information relevant to this prosecution. These materials may include, but are not limited to, surveillance video, body worn camera footage, statements of similarly situated defendants, forensic searches of electronic devices and social media accounts of similarly situated defendants, and citizen tips. The government is working to develop a system that will facilitate access to these materials. In the meantime, please let me know of any specific information that you believe is particularly relevant to your client.

Protective Order. This material is subject to the terms of the Protective Order issued in this case on April 1, 2021.

Timing of Disclosures. I recognize the government’s discovery obligations under *Brady v. Maryland*, 373 U.S. 83 (1963), its progeny, and Rule 16. I will provide timely disclosure if any such material comes to light. Consistent with *Giglio, Ruiz*, and 18 U.S.C. § 3500, I will provide information about government witnesses prior to trial and in compliance with the court’s trial management order.

Reciprocal Discovery. I request reciprocal discovery to the fullest extent provided by Rule 16 of the Federal Rules of Criminal Procedure, including results or reports of any physical or mental examinations, or scientific tests or experiments, and any expert witness summaries. I also request that defendant(s) disclose prior statements of any witnesses defendant(s) intends to call to testify at any hearing or trial. *See* Fed. R. Crim. P. 26.2; *United States v. Nobles*, 422 U.S. 255 (1975). I request that such material be provided on the same basis upon which the government will provide defendant(s) with materials relating to government witnesses.

Notice of Defenses. Additionally, pursuant to Federal Rules of Criminal Procedure 12.1, 12.2, and 12.3, I request that defendant(s) provide the government with the appropriate written notice if defendant(s) plans to use one of the defenses referenced in those rules. Please provide any notice within the time period required by the Rules or allowed by the Court for the filing of any pretrial motions.

The above information summarizes the discovery that has been provided to-date with respect to Mr. Schwartz; I will continue to provide you with discovery as it becomes available. Please do not hesitate to reach out if you have questions.

Sincerely,

/s/ Jocelyn Bond
