Hi Steve,

I just created a USAfx folder and sent you the invitation to your cs.com email. The file contains two videos obtained through legal process which depict Mr. Packer. The files are designated SENSITIVE under the Protective Order.

I hope to hear from you this week about the plea offer I extended...

This is Discovery 12, not 11. I have changed the folder name to reflect that. Thanks

Steve,

I found Mr. Packer in the Crypt right as the crowd were pushing past the line of officers to breach the Crypt. I have put this video in the USAfx folder entitled Packer Fast Track Discovery 1 and Discovery 10 & 11. There are other CCTV videos in a zip file which I put there July 2nd.

You are already a viewer in this folder, but if you cannot access it please let me know.
