FOR THE DISTRICT OF COLUMBIA**

UNITED STATES OF AMERICA	:

v.	:	No. 1:21-cr-00257-RDM
	:	
RONNIE BRIAN PRESLEY,	:

Defendant.	:	

PARTIES' JOINT STATUS REPORT

The United States of America, by and through the United States Attorney for the District of Columbia, and defendant Ronnie Brian Presley, by and through his counsel of record, present this joint status report.

The defense recently asked the government to extend the current plea offer, which had been set to expire on April 10, 2022, for a few more weeks. The government has agreed to this request.

In addition, the government provided substantial additional discovery to the defense on April 5, 2022.

Accordingly, both parties ask that the Court set a new joint status report date for on or about May 16, 2022. The parties further ask that the Court toll the Speedy Trial Act clock until the new report date, because the ends of justice outweigh the best interest of the public and the defendant in a speedy trial, due to the need for the defense to continue to consider the plea offer and to review the new discovery.

Respectfully submitted,
