**STATEMENT OF OFFENSE**

Pursuant to Federal Rule of Criminal Procedure 11, the United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, TOMMY FREDERICK ALLAN, with the concurrence of his attorney, agree and stipulate to the below factual basis for the defendant’s guilty plea—that is, if this case were to proceed to trial, the parties stipulate that the United States could prove the below facts beyond a reasonable doubt:

***The Attack at the U.S. Capitol on January 6, 2021***

1. The U.S. Capitol, which is located at First Street, SE, in Washington, D.C., is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification are allowed access inside the U.S. Capitol.

2. On January 6, 2021, the exterior plaza of the U.S. Capitol was closed to members of the public.

3. On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint

session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

4. As the proceedings continued in both the House and the Senate, and with Vice President Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

5. At approximately 2:00 p.m., certain individuals in the crowd forced their way through, up, and over the barricades, and officers of the U.S. Capitol Police, and the crowd advanced to the exterior façade of the building. The crowd was not lawfully authorized to enter or remain in the building and, prior to entering the building, no members of the crowd submitted to security screenings or weapons checks by U.S. Capitol Police Officers or other authorized security officials.

6. At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, shortly after 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of law enforcement, as others in the crowd

encouraged and assisted those acts. The riot resulted in substantial damage to the U.S. Capitol, requiring the expenditure of more than \$1.4 million dollars for repairs.

7. Shortly thereafter, at approximately 2:20 p.m., members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Pence, were instructed to—and did—evacuate the chambers. Accordingly, all proceedings of the United States Congress, including the joint session, were effectively suspended until shortly after 8:00 p.m. the same day. In light of the dangerous circumstances caused by the unlawful entry to the U.S. Capitol, including the danger posed by individuals who had entered the U.S. Capitol without any security screening or weapons check, Congressional proceedings could not resume until after every unauthorized occupant had left the U.S. Capitol, and the building had been confirmed secured. The proceedings resumed at approximately 8:00 p.m. after the building had been secured. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the session resumed.

***Tommy Frederick Allan's Participation in the January 6, 2021, Capitol Riot***

8. At approximately 3:03 p.m., Defendant entered the Senate Chamber carrying a United States flag on a flagpole which was property of the U.S. Capitol Building.

9. At approximately 3:04 p.m., Defendant stood behind the Presiding Officer's desk where several other individuals were shouting, praying, and commanding the attention of others in the Senate chamber. One of those individuals was shirtless, wearing face paint, and using a bullhorn to speak. Defendant is depicted below in a screen shot taken from a *New Yorker* magazine video taken on January 6, 2021, inside the Senate chamber.

10. Defendant then moved between the Presiding Officer's desk and the desk of the Journal Clerk, Parliamentarian, Legislative Clerk and Assistant Secretary of the Senate ("Front Desk"). At approximately 3:06 p.m., Defendant took papers belonging to the Senate from the Front Desk and put them into his back pocket.

11. At approximately 3:09 p.m. law enforcement officers cleared the Senate Chamber and Defendant left U.S. Capitol Building.

12. After he left the U.S. Capitol Building, Defendant spoke with an individual recording a Facebook Live video. Defendant said he had "stormed the building" while pointing at the U.S. Capitol Building. Defendant showed the documents he had taken from the Senate and claimed he had removed the documents from the desk of Senate Majority Leader Mitch McConnell.

13. On or about January 7, 2021, Defendant deleted his Facebook account, because it contained pictures and statements which confirmed his presence at the U.S. Capitol Building on January 6. When Defendant returned home, he destroyed the documents he had taken from the Senate.

14. Defendant knew at the time he entered the U.S. Capitol Building that that he did not have permission to enter the building, and the defendant did so with the intent to corruptly obstruct, influence, and impede an official proceeding, that is, a proceeding before Congress, specifically, Congress's certification of the Electoral College vote as set out in the Twelfth Amendment of the Constitution of the United States and 3 U.S.C. §§ 15-18.

Respectfully submitted,
