DEFENDANT EVANS’S MOTION TO EXTEND FILING

Now comes Defendant, TRENISS JEWELL EVANS III, by and through his attorney, Steven A. Metcalf II, and respectfully moves this Honorable Court for an additional day to file Supplemental Sentencing material, which consists of video submissions. In support thereof the Defendant states:

The video Defendant and I have been trying to file has caused numerous issues. Defendant Evans has been working remotely on this for the last two days, and the comprissing of the video into a file still has yet to be finalized.

Additionally, I am having issues signing on to my USAfx account.

In light of this continued unexpected delay, I am respectfully requesting an an extension to submit such video to the Court as Supplemental Sentencing material.

Specifically, I am requesting that such filing be made before midnight on September 19, 2022.

Consequently, I am also requesting that the government be extended the same amount of time to be able to respond or object to Defendant's Supplemental material.

I thank the Court in advance for its consideration and attention on this matter, and apologize for not having been able to complete this sooner.
