

Dear Your Honor,

8-28

Additional update the CO's have informed us the building is so packed. The upper & lower Non-Quarantine levels people are sleeping on the floors on their mattresses in the common areas. Because there's no room in the cells! No Rooms are going open up soon! There is torture literally. Bevivor's Lewis own definition states it. Anyone Deprived 23.5 hours a day & limited to 1 phone call a day ~~will develop problems.~~ ~~fact!~~ As I stated before I humbly beseech your Mercy & Grace for PR Bond & Evet at home.

There is no reason for me to be here. They cannot help people. This environment is only dangerous.

also Motran to get Expert Opinion from my personal Psychiatrist Skai Brosh who knows me more & longer than anyone & has ~~is~~
