To whom it may concern,

On March 22nd 2021, a Monday, I was transported from the Donald W Wyatt Detention Facility in Central Falls, RI to the airfield at Stewart Airbase located in Newburgh, NY. Upon touchdown in Oklahoma I boarded a full to capacity "school" bus that transported myself and other prisoners to Grady County Jail for housing awaiting an eventual move to detainment in DC.

On March 25th, a Thursday, I and other inmates were loaded into the same "school bus" that was completely full and taken back to the airfield in Oklahoma and flown to Harrisberg, PA. We were received by Marshalls in vans and transported to DC in a trip that took over 4 hours to complete. I attest that the above is true.
