CRIMINAL NO. 21-mj-188

**CONSENT MOTION TO CONTINUE PRELIMINARY HEARING AND FOR
EXCLUDABLE DELAY**

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully files this Consent Motion to Continue the Preliminary Hearing in the above-captioned matter to May 7, 2021. The Government and the defendant agree that there is good cause to extend the complaint in this case from January 29, 2021 to May 7, 2021, and to adjourn the preliminary hearing in this case to May 7, 2021. Defendant concurs in this request and agrees that it is in his best interest. In support thereof, the government states as follows:

1. The government and counsel for the defendant have conferred, and are continuing to communicate in an effort to resolve this matter. The current restrictions on counsel, particularly those impacting defense counsel's ability to communicate with her client, have slowed this process. Moreover, the defendant contracted COVID-19 while incarcerated, making him unavailable to defense counsel for three weeks and resulting in additional delay. The parties agree that the complaint will remain in full force and effect through the new date of May 7, 2021. The parties agree that this stipulation and any order resulting therefrom shall not affect any previous order of pretrial detention

or pretrial release.

2. The parties, therefore, would respectfully request that the preliminary hearing and the date by which an information or an indictment must be filed be continued until May 7, 2021. The parties agree that the failure to grant this continuance “would deny counsel for the defendant . . . the reasonable time necessary for effective preparation, taking into account the exercise of due diligence,” 18 U.S.C. § 3161(h)(7)(B)(iv). Therefore, “the ends of justice served by the granting of such continuance [will] outweigh the best interests of the public and the defendant in a speedy trial,” 18 U.S.C. § 3161(h)(7)(A), and the parties request an order to that end. The parties agree that pursuant to 18 U.S.C. § 3161, the time from April 1, 2021 through May 7, 2021, shall be excluded in computing the date for speedy trial in this case.

Wherefore, the parties respectfully request that the Court continue the Preliminary Hearing in this matter until May 7, 2021.

Respectfully submitted,

ORDER

This matter having come before the Court pursuant to a Motion to Continue, upon consent, it is therefore

ORDERED that, after taking into account the public interest in the prompt disposition of criminal cases, good cause exists to extend the Preliminary Hearing to May 7, 2021; it is

FURTHER ORDERED that the period from April 1, 2021 to May 7, 2021 be excluded from computing the time within which an information or indictment must be filed under the Speedy Trial Act because the ends of justice served by such a continuance outweigh the best interests of the public and Defendant in a speedy trial. *See* 18 U.S.C. § 3161(h)(7). The Court finds that COVID-19 has presented complications here that make it difficult for defense to meet with her client and prepare, that delay is necessary because the defendant contracted COVID-19 resulting in further complications, and that delay is necessary for the parties to work on a potential resolution.

It Is So Ordered.
