Case No. 1:21-cr-00222 (RJL)

GOVERNMENT’S UNOPPOSED MOTION FOR RESTITUTION ORDER

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, motions this court to order the defendant, Julian Khater, to pay \$2,000 in restitution in this case pursuant to 18 U.S.C. § 3663(a)(3) and 18 U.S.C. § 3663A(c)(1). The defendant, through counsel, does not oppose this motion. As reflected in the plea agreement, the parties agree that \$2,000 represents the defendant’s approximate personal contribution to the approximately \$2,923,080.05 in loss, including damage to the United States Capitol Building, that resulted from the riot that occurred on January 6, 2021. ECF No. 79. Following its consultation with the designated victims in this case, the government represents that those victims are not requesting that the defendant pay additional restitution. The government thus respectfully requests that the Court issue the attached proposed order without a hearing, as the amount of restitution is not in dispute.

Respectfully submitted,
