GOVERNMENT’S EXHIBIT LIST

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, files the attached Exhibit List in advance of the bench trial currently scheduled for December 12, 2022, and in accordance with the Court’s pretrial scheduling order at Dkt. 100. The government has added a column entitled “Stipulated?” to this exhibit list in order to provide the Court with an update regarding the parties’ ongoing efforts to identify any areas of dispute before trial. For all exhibits marked with a “Y” in that column, the government provided copies of the exhibits via thumb drive to the Court’s chambers.

For all exhibits not marked with a “Y” at this time, the defendant has indicated that he will likely be able to stipulate to some, if not all of these exhibits as well. The parties are prepared to finalize the status of these remaining exhibits no later than the final pretrial conference scheduled for December 8, 2022. At that point, the government will file an updated Exhibit List identifying any remaining unstipulated exhibits, and provide the Court with copies of the relevant, additional exhibits.

Respectfully submitted,
