**JOINT MOTION TO CONTINUE AND  
TO EXCLUDE TIME UNDER THE SPEEDY TRIAL ACT**

The United States of America, by and through its attorney the Acting United States Attorney for the District of Columbia, and the defendant, by and through his attorney William Sullivan, hereby move this Court to vacate the status conference presently scheduled for May 28, 2021, to continue the matter for approximately 60 days, and further to exclude the time within which an indictment must be filed under the Speedy Trial Act, 18 U.S.C. § 3161 *et seq.*, on the basis that the ends of justice served by taking such actions outweigh the best interest of the public and the defendant in a speedy trial pursuant to the factors described in 18 U.S.C. § 3161(h)(7)(A), (B)(i), (ii), and (iv). The parties submit that the conditions that existed when the government filed an unopposed motion to continue the then-scheduled March 29, 2021 status conference, ECF No. 10, regarding the amount of discovery that must be collated, provided to, and reviewed by the defense, still exist and have grown as the government has collected more evidence in this case. The government is working diligently to provide this material to the defendant, but discovery is not yet complete, and the defendant still requires time to go through the material that will be provided by the government.

The parties submit that under these circumstances, the ends of justice to be served by a second 60-day continuance outweigh the interests of the public and the defendant in a speedy trial,
