**JOINT MOTION TO CONTINUE STATUS HEARING**

The United States, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant Hunter Ehmke, by and through his attorney, Cara Halverson, hereby file this Motion to Continue the Status Hearing that is currently scheduled for Friday, June 11, 2021. The parties request that the status be continued for approximately 90 days. As a basis for this request, the parties state the following:

At the last status hearing on April 16, 2021, defense counsel advised the Court, under seal, as to certain assessments that were being conducted.<sup>1</sup> That process is still underway and defense counsel advises that approximately 90 days will be necessary to complete it.

The undersigned Assistant United States Attorney will be attending a family member’s funeral on the morning of Friday, June 11, and thus will not be available for the presently set status hearing on June 11. However, if the Court maintains the current schedule, another Assistant United States Attorney will stand-in for the hearing.

On June 8, 2021, the Pretrial Services Agency filed a status report indicating that Mr. Ehmke is in compliance with his release conditions. *See* ECF Doc. 14.

The parties further request that the Court find that the continuing assessment is good cause

<sup>1</sup> Since this aspect of the request was previously under seal, it is not further detailed here, however, defense counsel can provide the Court with additional details under seal if the Court so requires.

and that the time until the next status hearing should be excluded from the speedy trial calculation in the interest of justice.

The undersigned has conferred with defense counsel and Ms. Haverson has agreed to permit the undersigned to file this motion on behalf of the parties.

WHEREFORE, the parties respectfully request that the status hearing in this matter, presently scheduled for June 11, 2021, be continued for 90 days and that the Court find that, in the interest of justice, the time between now and the next status hearing be excluded from the speedy trial calculation.

Respectfully submitted on behalf of the parties,
