

**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA**

UNITED STATES OF AMERICA

v.

JOHN DOUGLAS WRIGHT,

Defendant

Criminal Action No. 21-341 (CKK)

**ORDER**

(July 6, 2021)

The Court is in receipt of Defendant's [17] Agreed Motion to Modify Conditions of Release, in which Defendant requests that the Court remove the "standalone monitoring and GPS requirement" from his conditions of release. The Government consents to Defendant's request.

The Court understands that Defendant is currently being monitored by a GPS ankle bracelet. Defendant indicates that his motion to remove GPS monitoring is based on his need "to travel for employment purposes." However, Defendant provides no information to the Court regarding what these "employment purposes" are or how the GPS ankle bracelet impedes them. Accordingly, the Court **ORDERS** that Defendant's Motion to Modify Conditions of Release is **DENIED without prejudice**.

**SO ORDERED.**
