Dear Ms. Gruda,

First and foremost, I hope this correspondence finds you and your family safe and sound during this awful pandemic.

Of course, I intend to continue to represent Mr. Fairlamb and am happy to appear at anytime the Court wishes on April 8th.

I believe it would be fair to say that I have an excellent working relationship with the Government and we have communicated back and forth often and easily. There have been some unusual delays which I believe are quite specific to the nature of this case but I have been working quite arduously and as expeditiously as possible.

AUSA Goemaat informed me that the Judge may call upon my client to ascertain whether or not he wishes to have me represent him.

In speaking with my client as recently as yesterday, as well as his family practically every day, I can represent to you that Mr. Fairlamb is

adamant that he does not want any lawyer other than myself representing him in any fashion at

anytime. There is certainly no issue should Judge Jackson wish to confirm this herself.

I have included on this email my Office Manager, Laura Ramirez, so that I may better facilitate any and all communications and requests from both the Court and the Government.

I thank you very much for your time and consideration. Please feel free to contact me day or night on my cell phone, 973-714-6733 for any reason you may feel is necessary.

Respectfully submitted,
Harley D. Breite, Esq.

Mr. Breite,

Judge Jackson has set a status conference in this matter for next Thursday afternoon. If you intend to represent Mr. Fairlamb in this matter, she expects you to appear at that hearing (I will send VTC connection information in a subsequent email).
