ORDER

This matter is before the court on a Motion filed by EDUARDO GONZALEZ. The request for relief was filed through his court-appointed attorney, Anthony D. Martin. Mr. GONZALES moves for permission to change his third-party custodian. IT APPEARS TO THE COURT, that the government takes no position on the motion. IT FURTHER APPEARS, that the Pretrial Services Agency has vetted the proposed third-party custodian and does not object to the change.

There being no objection, IT IS ORDERED this 23rd day of July 2021 that the [20] Motion to Substitute Third-Party Custodian is GRANTED. The defendant's new third-party custodian shall be subject to the same responsibilities and obligations assumed by the prior third-party custodian.
