UNITED STATES’ NOTICE REGARDING FINDINGS OF FACT

The United States submits this notice with respect to a factual finding in the Court’s oral verdict issued after the bench trial in this matter on May 12, 2023. The Court’s factual findings referenced the defendant’s contemporaneous statement that he had “got those motherfuckers.” *See* Dkt. 245 at 3, 11. On further review, the government does not believe that this precise quotation, which the defendant made to his codefendant, is in the trial record.¹ The defendant did state, however, on the afternoon of January 6, 2021 and while referring to the U.S. Capitol Police, that he had been “fucking handin’ it to them” on the Capitol Building’s west plaza earlier that day. That statement is captured in Exhibit 145A, which was received into evidence.

Respectfully submitted,

MATTHEW M. GRAVES
