Case No. 21-cr-346 (BAH)

**UNITED STATES' NOTICE OF POSITION REGARDING
PUBLIC RELEASE OF VIDEOS DESCRIBED IN STATEMENT OF OFFENSE AND
MOTION FOR EXTENSION OF TIME TO FILE EXPLANATION OF POSITION**

On Sunday, August 15, 2021, the Court issued an Order directing the government to provide to the Court the videos described in the Statement of Offense and directing the parties to provide their positions, by 2 p.m. on August 16, 2021, on whether these videos may be made publicly available without restriction. On August 16, 2021, at 1:29 p.m., the government notified the Court, via email, that it did not oppose making the videos publicly available but requested that the videos not be made publicly available until after entry of the plea, currently scheduled for October 15, 2021. This remains the government's position. After, the Court requested that the government further explain its position in a written filing. The government is currently working on the written explanation in response to the Court's question and requests the Court set a filing deadline of Friday, August 20, 2021, to file the explanation.

Respectfully submitted,

CHANNING D. PHILLIPS
