MOTION TO CORRECT JUDGEMENT ORDER

COMES NOW ATTORNEY, Allen H. Orenberg, counsel for Joshua C. Doolin, and pursuant to Federal Rule Criminal Procedure 35(a), respectfully requests the entry of an Order correcting the Judgment Order [256] issued on August 17, 2023.

As grounds the following is stated:

1. AUSA Benet J. Kearney takes no position on this motion/request.
2. During the sentencing hearing on August 16, 2023, the Court invited counsel to submit to a BOP facility designation(s) to be included as a judicial recommendation with the Judgement Order.
3. Defendant, by counsel, requested FCI Coleman Low or FCI Coleman Medium to be included in the Judgment Order as a judicial recommendation to the BOP.
4. On August 17, 2023, the Court issued its Judgment Order, [256] including a judicial recommendation for BOP designation to either FCI Coleman Low or FCI Coleman Medium.

5. Defendant is now requesting the Court to amend the Judgment Order to include a judicial recommendation to the BOP for a designation to Pensacola FPC – instead of FCI Coleman Low or FCI Coleman Medium. It is submitted that Fed. R. Crim. Proc. 35(a) permits the Court to issue a corrected Judgment Order as requested herein.

WHEREFORE, for the foregoing reasons and such other reasons that may appear just and proper, defendant Joshua C. Doolin, respectfully request the entry of an Order correcting the Judgment Order imposed on August 16, 2023, as proposed herein.

Respectfully submitted,
