On August 19, 2021, we also provided you with two body-camera videos, one 1:25:28 in length and one 48:33 in length. On July 26, 2021, we provided you with copies of Mock's Facebook returns.

Manner of Production. Please be sure to download the entire folder, including all subfolders and files contained within the subfolders exactly as it was provided **immediately** upon receipt to your own storage media. These materials will be **automatically deleted in 60 days**.

The discovery is unencrypted. Please contact me if you have any issues accessing the information, and to confer regarding pretrial discovery as provided in Fed. R. Crim. P. 16.1.

Voluminous Materials. Due to the extraordinary nature of the January 6, 2021 Capitol Attack, the government anticipates that a large volume of materials may result from our ongoing investigations. These materials may include, but are not limited to, surveillance video, body worn camera footage, statements of other defendants, forensic searches of electronic devices and social media accounts of other defendants, and citizen tips. The government is working to develop a system that will facilitate access to these materials, when appropriate. **In the meantime, please let me know of any specific information that you believe is particularly relevant to your client.**

Protective Order. This material is subject to the terms of the Protective Order issued in this case. The index above provides a designation for each document as Sensitive, Highly Sensitive, or neither.

I will forward additional discovery as it becomes available. If you have any questions, please feel free to contact me.

Sincerely,

s/Amanda Jawad
Amanda Jawad
Assistant United States Attorney
