Re: *United States v. Charles Donohoe*, Cr. No.: 21-cr-175-4 (TJK)

Dear Counsel:

I write to memorialize another production related to the above-captioned case as part of the government's ongoing efforts to produce preliminary discovery on an expedited basis. Specifically, this afternoon, the government produced certain materials from Mr. Donohoe's case file maintained by the Federal Bureau of Investigation. Please note that the file names bear the titles as assigned by the FBI's electronic systems.

An index of the produced materials is included with the production. The "file names" that appear in the index are a reproduction of the information that exists in the FBI's electronic systems.

The materials described herein have been made available for download on USAfx. Please keep in mind that all of the items placed in the USAfx case-folder will be deleted automatically – some in as few as 60 days. Please let me know immediately if you have been unable to access and download the materials for your use in this case.

We understand that our discovery obligations are ongoing and intend to supplement our disclosures on a rolling basis. If you have any questions, please do not hesitate to contact us.

Please contact me should you have any questions or concerns.

Sincerely yours,

MATTHEW M. GRAVES  
UNITED STATES ATTORNEY
