Defendants.

Case No. 21-CR-82 (CJN)

Hearing Date: September 14, 2021

CONSENT MOTION FOR CONTINUANCE

The United States of America hereby respectfully moves the Court to continue the status hearing for September 14, 2021. At the last status hearing on August 19, 2021, this Court continued the status conference in this matter at the joint request of the parties. Government counsel indicated that it believed a significant amount of discovery would be soon provided to both defendants and that plea offers have also been extended. While significant discovery has since been provided to defendant Williams, the government discovery team has encountered production issues as it relates to defendant Crase. The government hopes to remedy that problem shortly. In light of the delay in providing this discovery, and representations from defendants' counsel that they need more time to review the discovery and plea, the parties are seeking a 30-day continuance for another status hearing, which may be telephonic if the parties have not yet reached a resolution.

The parties have conferred about a possible new date and are requesting a status date after October 12th. Additionally, the parties are jointly requesting a continuation of tolling of the Speedy Trial Act, as the additional time needed to take these steps is in the public and parties' interests, the additional time requested is appropriate given Covid-19 issues, and the possibility of

ORDER

Having considered the Consent Motion to Continue, it is this ____ of September 2021,
hereby

ORDERED, that the status hearing currently scheduled for September 14, 2021, is
hereby vacated, and rescheduled for _____, 2021;

IT IS FURTHER ORDERED, that for the reasons identified in the Consent
Motion to Continue, specifically to facilitate a pre-trial resolution of this matter, because of
the COVID-19 pandemic, and to accommodate pretrial discovery, the Court finds that it is
in the interests of justice to toll time under the Speedy Trial Act from this date until the next
status hearing.
