

*Fundraising Efforts*

The government attempted to paint Mr. Mellis' efforts to raise money while incarcerated to hire competent counsel as somehow nefarious. In addition to raising money in support of his constitutionally guaranteed right to counsel, Mr. Mellis has also been a part of a fundraising campaign<sup>4</sup> to provide financial support to the children of inmates from Washington, DC in the general population at the DC Jail. Counsel has submitted documentation of that campaign as part of this Supplement.<sup>5</sup>

*United States v. Michael Foy*

Counsel has submitted the Affidavit in Support of Arrest Warrant<sup>6</sup> concerning Michael Foy<sup>7</sup> in order to highlight far more egregious nature of the conduct Mr. Foy engaged in on January 6, 2021 in comparison to Mr. Mellis.
