**UNITED STATES’ SUPPLEMENTAL BRIEF IN SUPPORT OF ITS
MOTION TO REVOKE RELEASE ORDER**

The United States submits this supplemental brief to bring to the Court’s attention additional information that may be relevant to the pending motion to revoke the Defendant’s conditions of release. Law enforcement continues to review the items seized from the home of Defendant Thomas Robertson on June 29, 2021. This review uncovered the blue, silver and brown items identified by evidence tag 35, depicted below. They are visually consistent with M228 fuzes that have not been fired, and are pending further investigation to confirm whether they are inert. M228 fuzes are federally regulated explosives.

Respectfully submitted,
