

**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA  
(Filed Electronically)**

**CRIMINAL ACTION NO. 21-mj-396-ZMF-1  
UNITED STATES OF AMERICA,**

**PLAINTIFF,**

**vs.**

**ERIC CLARK,**

**DEFENDANT.**

**UNOPPOSED MOTION FOR CONTINUANCE OF  
STATUS CONFERENCE**

Comes the Defendant, Eric Clark (“Defendant” or, in the alternative, “Mr. Clark”), by counsel, and respectfully asks this Court to continue the status conference currently scheduled for July 5, 2022.

Counsel for Clark will be out of the office on July 5, 2022. Additionally, parties have conferred, and agree that at this time a continuance of the status conference would be beneficial to allow for the continued production of discovery; the review of discovery already tendered by the United States; to allow for the review and discussion of the United States’ formal offer; and to allow for defense counsel to review and discuss discovery and the offer with Mr. Clark. Parties believe that all of the above can be accomplished if the Court were to grant a 60-90 day continuance.

Mr. Clark agrees, in the interest of justice, and pursuant to 18 U.S.C. §3161(h)(7)(A), §3161(h)(7)(B)(I), and §3161(h)(7)(B)(iv), the period of delay between the scheduled status conference currently scheduled for July 5, 2022, and the date of the newly scheduled status conference, which would be determined by this Court if this motion were to be granted, would be

excluded from the time allowed for a speedy trial.

Respectfully submitted,
