ORDER

(May 25, 2022)

It is this 25th day of May, 2022 **ORDERED** that the Court hereby directs the Probation Office to prepare the offense level calculation of the Advisory Sentencing Guidelines for inclusion in a presentence report to be provided to the Court by July 8, 2022, which is prior to the Status Hearing scheduled for July 25, 2022. The Probation Office shall provide two calculations. The first shall address the offense level should Defendant be convicted of all charges at trial. The second shall address the offense level should Defendant plead guilty to Count 1 of the [29] Indictment: Assaulting, Resisting, or Impeding Certain Officers using a Dangerous Weapon, in violation of 18 U.S.C. §§ 111(a)(1) and (b).

Once the offense level calculation for a presentence report in this case is completed, it is to be shared with government's counsel and defense counsel, as well as with the Court. The Court previously ordered the parties to provide the Probation Office with a copy of the proposed plea letter and statement of offense.
