Criminal No. 1:22-cr-00361-DLF

Motion for Leave to File Sentencing Memorandum on April 14, 2023

Mr. Chase Alen, the defendant in the above captioned matter, respectfully requests that this honorable Court allow the defendant to file his sentencing memorandum one day past the scheduling order deadline. As grounds, counsel states that she has been working diligently on Mr. Allen’s case and sentencing memorandum. However, given unexpected technical issues, an additional day to recover her work and then file her sentencing memorandum was needed.

Respectfully submitted,
Mr. Chase Allen,
By his attorney,
