**NOTICE OF EXPERT OPINION TESTIMONY**

The United States of America, by and through the United States Attorney for the District of Columbia, hereby provides notice to the defendant of the expert opinion testimony of the following witness:

Harrison C. Putman has been employed as a Special Agent (SA) with the Federal Bureau of Investigation (FBI) since 2015. SA Putman is currently assigned to a cyber investigations squad and as a Field Asset on the Cellular Analysis Survey Team (CAST). SA Putman’s duties as part of CAST include providing cellular record analysis assistance to local, state, and federal law enforcement agencies and assisting in exigent life-threatening circumstances such as child abductions and terrorist events. Additionally, SA Putman trains law enforcement officers and attorneys on cellular technology and records analysis. *See* Ex. 1 – Putman Curriculum Vitae (detailing SA Putman’s professional experience, education, and professional training and instruction). SA Putman will testify that based on his training, experience, and an analysis of location records provided by Google, Inc., a cellular device connected to the defendant’s two Google accounts was in and around the United States Capitol on January 6, 2021, from between the hours of 2:00 p.m. EST, and 6:30 p.m. EST.

The United States previously provided the defendant two documents, specifically, pdf maps, identified by device identification numbers and Google account addresses, from data acquired from a sealed Geofence search warrant issued after January 6, 2021.

Respectfully submitted,

MATTHEW M. GRAVES  
United States Attorney
