**Criminal No. 21-mj-38**

**JOINT MOTION TO CONTINUE AND  
TO EXCLUDE TIME UNDER THE SPEEDY TRIAL ACT**

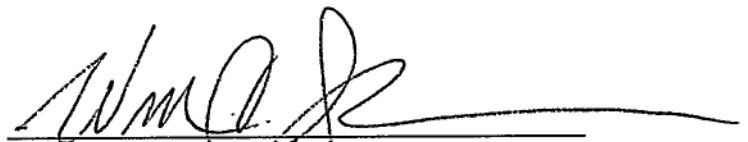

The Defendant, by and through his attorney William C. Sullivan, hereby moves this Court to vacate the status conference presently scheduled for March 2, 2023, to continue the matter for approximately sixty days, and further to exclude the time within which an indictment must be filed under the Speedy Trial Act, 18 U.S.C. § 3161 *et seq.*, on the basis that the ends of justice served by taking such actions outweigh the best interest of the public and the defendant in a speedy trial pursuant to the factors described in 18 U.S.C. § 3161(h)(7)(A), (B)(i), (ii), and (iv). The defendant submits that the conditions that existed when the parties have previously moved to continue status conferences, regarding the amount of discovery that must be collated, provided to, and reviewed by the defense, still exist and have grown as the government has collected more evidence in this case. *See, e.g.*, ECF Nos. 10, 13, 14, 20, 23. The government is working diligently to provide this material to the defendant, but discovery is not yet complete, and the defendant still requires time to go through the material that has been provided by the government. Additionally, counsel and the United States have begun discussions of a potential resolution, but they need more time before they are prepared to provide an answer to that question to the government. The prosecution counsel is currently in a trial, which should last approximately four to six weeks.

The parties submit that under these circumstances, the ends of justice to be served by the requested continuance outweigh the interests of the public and the defendant in a speedy trial, and the Court should consequently exclude time under the Speedy Trial Act.

Undersigned counsel has conferred with Assistant United States Attorney Erik M. Kenerson, Esq., and Mr. Kenerson informed undersigned counsel that the defendant may file this as a joint motion.

WHEREFORE, the parties respectfully requests that this Court grant the motion to continue for approximately four weeks, and that the Court exclude the time within which the trial must commence under the Speedy Trial Act, 18 U.S.C. § 3161 *et seq.*, on the basis that the ends of justice served by taking such actions outweigh the best interest of the public and the defendant in a speedy trial pursuant to the factors described in 18 U.S.C. § 3161(h)(7)(A), (B)(i), (ii), and (iv).

Respectfully submitted,

WILLIAM C. SULLIVAN  
Attorney for Defendant
