MOTION FOR REVIEW OF CONDITION OF
RELEASE

COMES NOW Defendant, Eric Clark, pro se litigant, request immediate dismissal of all conditions of release and be granted release on own recognizance without stipulations for the reasoning that prosecution chose to charge Mr. Clark knowing full well that it would not be able to bring a case to travel in a timely manner at signing of these conditions and did not inform Mr. Clark of known coming delays for the purpose of discovery and the unconstitutional reasoning of a state of emergency in the form of the Corona virus pandemic.

Respectfully submitted,
