UNITED STATES OF AMERICA :
 :
 v. : CRIMINAL NO. 21-CR-00299
(RBW) :

MARIPOSA CASTRO/ :
Imelda Acosta :
 :
 Defendant. :

REQUEST FOR EXTENSION OF SURRENDER DATE

COMES NOW, the defendant, through undersigned counsel, and respectfully moves this court extend her surrender date of March 31, 2022, to May 2, 2022. This request is made so that she will have time to continue to treat side effects from COVID. Although, initially she did not believe she had contracted COVID in November 2021, she realizes that the illness she suffered was in fact COVID. Since then, she has had continuing side effects including aches and pains in her shoulder joints and neck. She has also been losing a lot of hair and has sent undersigned several videos showing the hair loss. She also has begun seeing a doctor as well. To address these issues she has been taking various supplements and minerals, using special shampoos and hair treatments and also eating a health food diet. An extension of 30 days will permit her to continue her regime and treatment to alleviate her health problems before going into the federal facility to complete her sentence.

Jordan, Konig, Esq., Government counsel does not opposes this request.

WHEREFORE, for the above stated reasons, Ms. Acosta, moves this Honorable Court extend her surrender date from March 31, 2022, to April 2, 2022.

Respectfully submitted,

OFFICE OF ELITA C. AMATO
