**JOINT MOTION TO CONTINUE FEBRUARY 18, 2022  
STATUS CONFERENCE FOR 30 DAYS**

The United States of America, through counsel, and Defendants Matthew Clark, Christy Clark, and Paul Spigelmyer, through counsel, hereby move this Court to grant its Joint Motion to Continue February 18, 2022 Status Conference for 30 days. The Government and Defendants further move the Court to exclude the period of the continuance from the computation of time under the Speedy Trial Act. In support of this motion, the parties state as follows:

1. On January 21, 2022, the Court held a Status Conference in this case. The parties discussed that discovery had been provided to the parties and that the parties were working on a pretrial resolution of this case.
2. The parties have discussed a pretrial resolution of case, but additional time is needed before a resolution can be finalized.
3. On February 15, 2022, counsel for Defendants and the United States agreed that the Court’s Status Conference, which is set for February 18, 2022, should be continued for approximately 30 days. The parties in that discussion also agreed to exclude from the computation of time under the Speedy Trial Act the time between February 18, 2022 and the next set Status Conference. The parties also request that the Court conduct the next Status Conference via videoconference.

4. The parties submit that good cause exists to continue this hearing as there is no additional information to provide to the Court regarding the status of this case.

WHEREFORE, for the foregoing reasons, the United States and Defendants respectfully request that the Court grant this Motion to Continue February 18, 2022 Status Conference for 30 days filed out of time, and further request that the Court exclude the period from February 18, 2022 until the next Status Conference in this case from the computation of time under the Speedy Trial Act.

Respectfully submitted,
