**JOINT STATUS REPORT  
& JOINT MOTION REGARDING TRIAL DEADLINES**

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and Kevin Lyons, by and through his counsel (collectively, “the parties”), file this joint status report.

As indicated in the December 2, 2022 joint status report, the parties have agreed to conduct a stipulated trial in lieu of a traditional trial by jury. The parties have so agreed because a stipulated trial will conserve the Court’s and the parties’ resources by avoiding the time and effort of putting on a fulsome trial by jury while preserving the defendant’s appeal rights. Accordingly, the parties respectfully submit the following attachments to this joint status report: (1) statement of facts for stipulated trial to which defendant has agreed, and (2) defendant’s agreement and waiver of jury rights.

Defense counsel is scheduled to have back surgery this month and will not be cleared to travel for several weeks following surgery. The parties therefore respectfully move the Court to (1) vacate the scheduling order that the Court issued on October 13, 2022 and (2) schedule the stipulated trial to occur during the week of February 6, 2023.

Respectfully submitted,

MATTHEW M. GRAVES  
United States Attorney
