STIPULATION OF THE PARTIES

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Thomas Robertson, with the concurrence of his attorneys, agree and stipulate to the following:

Federally Protected Function

1. The events on the Grounds of the U.S. Capitol and in the U.S. Capitol building on January 6, 2021, adversely affected a “federally protected function” as that term is used in Title 18, United States Code, Section 231(a)(3). That means that the events adversely affected any function, operation, or action carried out, under the laws of the United States, by any department, agency, or instrumentality of the United States or by an officer or employee thereof. The federal protected functions that were adversely affected included the following: the United States Capitol Police’s protection of the U.S. Capitol and the Capitol grounds, and the United States Secret Service’s protection of the Vice President of the United States and immediate family members of the Vice President.
