UNITED STATES OF AMERICA :

:

v. : Criminal No. 21-CR-40

:

ROBERT MORSS, :

:

Defendant. :

# GOVERNMENT'S SECOND SUPPLEMENTAL MEMORANDUM IN SUPPORT OF PRE-TRIAL DETENTION

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully submits this supplemental memorandum in support of its oral motion that the Defendant, Robert Morss, be detained pending trial pursuant to 18 U.S.C. § 3142(f)(1)(A) [Crime of Violence] and 18 U.S.C. 3142(f)(2)(A) [Serious Risk of Flight].<sup>1</sup>

Per the Court's request, the government is providing this supplemental filing laying out the text messages identified recently and referred to in today's detention hearing. A redacted copy of the text messages referenced or read aloud at the hearing is appended to this filing as Exhibit A. (Per the Court's request, an unredacted copy of the same has also been provided to chambers via email. In addition, as noted by the government at the hearing, a copy of all the currently identified relevant

<sup>&</sup>lt;sup>1</sup> As noted in the hearing, given the texts identified discussing fleeing the country, the government is also now pursuing detention on this basis. *See, e.g., United States v. Anderson*, 382 F. Supp. 2d 13, 14 (D.D.C. 2005) ("the BRA provides for pretrial detention if the government establishes by a preponderance of the evidence that the defendant is likely to flee before trial if released and that no condition or combination of conditions will reasonably assure the appearance of the defendant as required").

texts has been sent to defense counsel.) These texts were provided in response to a search warrant and according to available information from the provider only include some of the SMS texts sent or received by the phone number (xxx) xxx-4397 (hereinafter "Defendant's Number") from January 3, 2021 to February 3, 2021. Given that the formatting of the messages makes the, difficult to read, the government has also included a summary below.<sup>2</sup>

#### Conversation with Person 1 (highlighted in yellow in Exhibit A):

#### January 6, 2021:

• From Defendant's Number: It's going down!!!

<sup>&</sup>lt;sup>2</sup> Specifically, to make it easier to read, in this summary the government has: (1) replaced the text "&apos;" with apostrophes and the text "&quot" with quote symbols, which appears to be what those symbols mean in the text report based on context; (2) specified if the text was sent from or to the Defendant's Number; (3) taken out the words "REST-SMS-MO" and "REST-SMS-AO" which appear to automatically appear at the end of the message in each row; (4) removed "[#@#PH001#@#]" which appears to separate a long text into two texts and removed duplicate lines; and (5) grouped conversations between the same two numbers.

<sup>&</sup>lt;sup>3</sup> The undersigned has not yet been able to confirm whether the time stamps are in Eastern Standard Time or Greenwich Mean Time. This summary assumes that they are in Eastern Standard Time.

He has a ton of photos of him with a bunch of guns with trump stuff in the background on social media AND has a YouTube channel for picking up chicks... So he kinda fits the Bill of someone who might be a little crazy.
- From Person 2: Sounds like it.
- From Defendant's Number: We have nothing in common with that guy ????
- From Person 2: You both should be safe.
- From Defendant's Number: That's what I'm hoping. We're much smaller fish.
- From Defendant's Number: I'll send you the articles of that guy who got arrested
- From Defendant's Number: https://gothamist.com/news/upper-east-side-pickup-artist-arrested-alleged-role-capitol-insurrection

- From Person 2: Absolutely. Anything pacific?

- From Defendant's Number: I'm freaking out dude. I think it's only a matter of time before "ramifications"; of the 6th come down on me. I've been watching and reading Shit all night. People from centre county PA Pittsburgh Philly have already been hunted down and arrested..
- From Person 2: Got it brother.
- From Person 2: Praying right now.
- From Defendant's Number: Thanks brotha. I feel ice cold inside. I want to make a positive difference in life and show affection and belief to these kids who I will inevitably teach some day and I'm begging God that I am still able to do that with my life. If not I'm completely screwed.
- From Defendant's Number: I feel like I need to throw up and fall asleep at the same time.
- From Person 2: Try to relax. Nothing is lost yet.
- From Defendant's Number: https://www.google.com/amp/s/amp.cnn.com/cnn/2021/01/22/politics/us-capitol-riot-investigation/index.html
- From Defendant's Number: I'm trying to I feel like I'm going to get squashed like a bug on Monday.
- From Person 2: I'll be praying. I think this is about to get side lined with bigger events. We shall see. Hang in there. Let me know if I can do anything else for you. I might be getting off orders on the 26th. If you want I can swing by if you need to talk or something.
- From Defendant's Number: Thank you brotha. I'll try to calm down. This is pretty wild and a selfish part of me hopes that something big takes place. I appreciate your support and I'll admit I am terrified but I am begging for Gods forgiveness and mercy.
- From Defendant's Number: I'm pretty shook up right now hahaha not gonna lie.
- From Defendant's Number: Please pray for me. I'm wigging out

- From Person 2: I'm sorry dude. Been praying for you. Maybe you should take a little vacation somewhere?
- From Defendant's Number: I don't want to fly and pop hot on any radars but I'm thinking I need to drive somewhere and get out of town.

- From Defendant's Number: Thank you for praying for me man.
- From Defendant's Number: It means a lot
- From Person 2: You're welcome.
- From Defendant's Number: Each passing day helps me feel a little better I know I am a small fish in comparison to the people who ransacked the capital or were plotting to do so online but if this comes back in my direction I'll be finished.
- From Person 2: I guess and they call us conspiracy theoriest??
- From Defendant's Number: I'm just hoping they aren't calling me a fugitive anytime soon??
- From Person 2: Lol. They will have a shit ton of those soon.
- From Defendant's Number: You think so???
- From Person 2: I think so. If had to guess possibly in the next two weeks. That's not supported on info I've seen. It's just me guessing.
- From Defendant's Number: It's so bad of me but I'm really hoping that something crazy happens to take the spotlight off the latest scenario. If this year is anything like 2020 there should be something insane biweekly
