STATEMENT OF FACTS

On January 6, 2021, your affiant, Jason T. Coe, was on duty and performing my official duties as a Special Agent with the Federal Bureau of Investigation ("FBI"). Specifically, I am assigned to the Washington Field Office, tasked with investigating criminal activity in and around the Capitol grounds. As a Special Agent with the Federal Bureau of Investigation, I am authorized by law or by a Government agency to engage in or supervise the prevention, detention, investigation, or prosecution of a violation of Federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification are allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, between 1 p.m. and 2 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

On January 6, 2020, during the above-referenced events, Officer B.M. ("B.M.") of the Washington D.C. Metropolitan Police Department ("MPD") was working his¹ evening shift in his official capacity. During that shift, B.M. was directed to report to the U.S. Capitol building to assist the U.S. Capitol Police in their duties to maintain security of the U.S. Capitol building.

Between 4:00PM and 5:00PM that same day, B.M. walked through an interior tunnel of the U.S. Capitol building and assumed a post in an archway which provided access to the building's exterior. The approximate location of B.M. was noted by B.M. and is denoted below by the blue markings.

From this archway, alongside other uniformed law enforcement officers, B.M. observed hundreds of individuals gathered outside. Some of these individuals were throwing and swinging various objects at the group of law enforcement officers. While standing in the archway to prevent the group of individuals from breaching the U.S. Capitol building, and while wearing his official MPD uniform, some of these individuals grabbed B.M. and dragged him down the stairs of the Capitol building. These individuals forced B.M. into a prone position on the stairs and proceeded to forcibly and repeatedly strike B.M. in the head and body with various objects.

On January 12, 2021, the FBI received a tip via electronic submission from a confidential source of information ("CS1"), identifying one of the individuals who assaulted B.M. on the

stairs of the U.S. Capitol building as PETER FRANCIS STAGER ("STAGER"). FBI Special Agents interviewed CS1, who stated he recognized STAGER from two videos posted on a Twitter thread². The first video ("video 1") depicted STAGER amongst a large group of individuals on the stairs of the U.S. Capitol building. STAGER climbed the stairs while holding a flagpole with a United States flag affixed to it and used the pole to repeatedly strike B.M. while B.M. remained prone on the steps of the U.S. Capitol building.

² The thread referred to by CS1 is located at URL:
https://twitter.com/Cleavon_MD/status/1348763799470235655

In the second video ("Video 2"), CS1 identified the male speaking as STAGER, who stated, "Everybody in there is a treasonous traitor. Death is the only remedy for what's in that building." Your affiant believes that in STAGER's statement, "that building" was a reference to the U.S. Capitol building, and "everybody in there" was a reference to the Congressmen and Congresswomen inside the U.S. Capitol building at the time.

(Video 2)

CS1 told Agents that following viewing the above-referenced videos, CS1 contacted a mutual acquaintance of both STAGER and himself ("CS2"). CS2 told CS1 that CS2 had already spoken directly with STAGER following the events on January 6, 2021. CS2 also told CS1 that STAGER identified himself as the individual in both video 1 and video 2.

Agents then interviewed CS2, a close associate of STAGER. CS2 also recognized STAGER as the individual in video 1 striking B.M. with a flagpole, and as the individual in video 2 who was "ranting." CS2 spoke directly with STAGER via telephone following the events on January 6, 2021. During that phone conversation, STAGER confirmed that he [STAGER] was the individual in both video 1 and video 2.

Referring to video 1, STAGER told CS2 that he [STAGER] did not know the man he was striking on the ground with the flagpole was a cop and that he thought the person he was striking was ANTIFA. On the Twitter thread provided by CS1, there was a photo ("photo 1") of B.M. lying prone on the steps of the U.S. Capitol building while surrounded by the large group of individuals. Clearly present on B.M.'s uniform, across his back, are the words "METROPOLITAN POLICE."

Also visible in the photo is STAGER, holding a flagpole, with an American flag attached, with what appears to be a clear view of B.M. in uniform, lying on the stairs. Therefore, your affiant believes that STAGER was able to clearly see the police markings on B.M.'s uniform and was aware that the individual who he was striking was, in fact, law enforcement. After reviewing the aforementioned video footage, your affiant believes that photo 1 was captured immediately prior to STAGER striking B.M.

(Photo 1)

CS2 told Agents that STAGER told him that he [STAGER] had to apologize to CS2 and to his [STAGER's] children for his behavior. Additionally, STAGER told CS2 that he intended to turn himself in to law enforcement for his actions, but had yet to do so.

Referencing video 2, STAGER told CS2 that he [STAGER] was "wired up" from being either pepper-sprayed or tear-gassed and that was why he made the comments he did on camera. Your affiant believes that STAGER could have been tear-gassed by law enforcement officers while attempting to breach the U.S. Capitol building.

Law enforcement identified STAGER utilizing the above information provided by CS1 and CS2. A query of the Arkansas Department of Motor Vehicles (DMV), of the Arkansas Department of Finance and Administration, yielded a Driver License photo of STAGER which was compared to that of the individual in both video 1 and video 2. Your affiant believes that they are of the same individual.

Based on the foregoing, your affiant submits that there is probable cause to believe that STAGER violated 18 U.S.C. 231(a)(3), which makes it unlawful to commit or attempt to commit

any act to obstruct, impede, or interfere with any fireman or law enforcement officer lawfully engaged in the lawful performance of his official duties incident to and during the commission of a civil disorder which in any way or degree obstructs, delays, or adversely affects commerce or the movement of any article or commodity in commerce or the conduct or performance of any federally protected function. For purposes of Section 231 of Title 18, a federally protected function means any function, operation, or action carried out, under the laws of the United States, by any department, agency, or instrumentality of the United States or by an officer or employee thereof. This includes the Joint Session of Congress where the Senate and House count Electoral College votes.

PETER FRANCIS STAGER

ORDER OF DETENTION

On January 22, 2021, the Court conducted a detention hearing for Defendant Peter Francis Stager (“Mr. Stager”). Mr. Stager is charged in a Criminal Complaint filed in the District of Columbia with civil disorder, in violation of 18 U.S.C. § 231(a). For the reasons stated on the record at the conclusion of the hearing and in this Order, the Court concludes that Mr. Stager must be detained.

After carefully considering all of the factors in 18 U.S.C. § 3142(g), the Court made detailed findings from the bench to support its decision that: (1) the Government had proved by clear and convincing evidence that Mr. Stager poses a danger to the community; and (2) if Mr. Stager were released, no condition or combination of conditions the Court could impose would reasonably assure the safety of the community. As a result, Mr. Stager must be detained.

Mr. Stager is committed to the custody of the United States Marshal or a designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or held in custody

pending appeal. He must be afforded a reasonable opportunity to consult privately with defense counsel. On order of a United States Court or on request of an attorney for the Government, the person in charge of the corrections facility must deliver him to the United States Marshal for a court appearance.

IT IS SO ORDERED this 22nd day of January 2021.
