10/20/2021	MINUTE ORDER as to PATRICK MONTGOMERY (1) and BRADY KNOWLTON (2): Upon consideration of Defendants' motion to clarify, Dkt. 65, it is hereby ORDERED that the motion is GRANTED. It is further ORDERED that time shall be excluded under the ends of justice exception to the Speedy Trial Act, 18 U.S.C. § 3161, from October 22, 2021, to November 23, 2021. The Court finds that the ends of justice served by the continuance outweigh the best interest of the public and the defendant in a speedy trial in light of the unique obstacles posed by the complexity of the government's investigation of the events occurring on January 6, 2021, the fact that discovery is ongoing, and defendants' need for additional time to brief the issues raised in their amended motion to dismiss 59. The Court further notes, moreover, that Defendants' motion to dismiss remains pending (and, indeed, is not yet fully briefed) and the Speedy Trial Act provides that time "shall be excluded" if "delay result[s] from any pretrial motion, from the filing of the motion through the conclusion of the hearing on, or other prompt disposition of, such motion." 18 U.S.C. § 3161(h). Time is therefore excluded under the Act for the additional reason that Defendants' motion remains pending. Signed by Judge Randolph D. Moss on 10/20/2021. MINUTE ORDER as to PATRICK MONTGOMERY (1) and BRADY KNOWLTON (2): Upon consideration of Defendants' unopposed motion to continue status hearing, Dkt. 90, the Court hereby ORDERS that the motion is GRANTED. It is further ORDERED that the status conference set for February 16, 2022, is VACATED and RESCHEDULED for March 22, 2022, at 11:00 a.m., to occur via video. It is further ORDERED that time is tolled under the Speedy Trial Act, 18 U.S.C. § 3161, from February 16, 2022, through March 22, 2022. Defendants request a continuance because "[a]dditional time is needed to coordinate and review" recently obtained discovery materials and "Defendants have. been conferring jointly to discuss possible resolutions to the charges pending against them." Dkt. 90 at 1. Accordingly, Defendants agree to toll time under the Speedy Trial Act "and submit that it would be in the best interest of justice to permit said tolling." Id. at 2. In light of these representations, the Court finds that the ends of justice served by the continuance outweigh the best interest of the public and the defendant in a speedy trial under 18 U.S.C. § 3161(h)(7)(A). Signed by Judge Randolph D. Moss on 2/15/2022. (lcrdm2) (Text entry; no document attached.)
