Thursday, January 7, 2021 10:33:29 AM

Gentlemen,

As noted in the subject line this is an unofficial draft of the [REDACTED] interview on the evening of 1-6-21. It is not intended to be a full capture of the interview. An official FD-302 will be provided upon its approval by FBI management.

Note: [REDACTED] did not know Coffman's name. She forgot it. It is provided here for ease of reporting.

[REDACTED], dob [REDACTED], cell [REDACTED] of [REDACTED], who had spent part of the day with COFFMAN. [REDACTED] did not know COFFMAN but felt sorry for him because it was cold out and he said he couldn't get back to his vehicle. [REDACTED] vehicle was also within the perimeter established by LE personnel in vicinity of First and New Jersey SE. [REDACTED] and Coffman took the metro to Pentagon City where they ate pizza, bought a phone charger, and warmed themselves. [REDACTED] paid for both day trip metro cards and the pizza with her debit card, and Coffman paid for the phone charger for [REDACTED] with cash. [REDACTED] and Coffman departed Pentagon City via Metro and exited at Eastern Market. Shortly after exiting Metro and walking to the LE perimeter, [REDACTED] was allowed access to her vehicle, which she then allowed Coffman to sit in her car for warmth. While sitting in [REDACTED] car, Coffman observed LE at his truck and told [REDACTED] that was his vehicle they were looking at. She didn't know his full name, and was unaware he had weapons on his person or in the truck.

Respectfully,

[REDACTED]
