Case Related to 21-cr-28 (APM)

ORDER

This matter having come before the Court pursuant to the application of the United States to seal the Seventh Superseding Indictment, the Court finds that, because of such reasonable grounds to believe the disclosure will result in flight from prosecution, destruction of or tampering with evidence, and serious jeopardy to the investigation, the United States has established that a compelling governmental interest exists to justify the requested sealing.

1. IT IS THEREFORE ORDERED that the application is hereby GRANTED, and that the Seventh Superseding Indictment, the instant application to seal, and this Order are sealed.

2. IT IS FURTHER ORDERED that the Clerk’s office shall delay any entry on the public docket of the Seventh Superseding Indictment.

3. IT IS FURTHER ORDERED that the Seventh Superseding Indictment in this case be unsealed upon the government's written notification to the Court of the execution of the Arrest Warrant for Elmer Stewart Rhodes III and/or Edward Vallejo.
